Message from the Chair of Governors

Kate Olsen

Dear Parent / Carer,

I am proud to present our annual report to parents for the 2024-25 academic year and I hope you will find the information provided in the report useful and informative.

As a governing body, we work closely with the senior leadership team to support the school's vision, ensuring that our resources and strategies are aligned with the aim of continuous improvement. The future is bright for Ysgol Gwent Is Coed, and we remain committed to maintaining the high standards that have defined our school while welcoming new challenges and innovations.

On behalf of the governing body, I would like to thank Mrs Eirian Jones and the whole team for their determination and continuous effort to ensure that Ysgol Gwent Is Coed continues to build on their success and to provide a learning experience for all pupils that extends far beyond the formal environment of the classroom. Across the school, staff generously offer their time to accompany our pupils on a wide range of experiences outside of school hours.

Thank you all,

Kate Olsen (Chair of Governors)

Message from the Headteacher

Eirian Jones

Dear Parent / Carer

It is a privilege and a pleasure to be able to present this annual report to the school community following my fifth year here as Headteacher of Ysgol Gyfun Gwent Is Coed. The academic year 2024-2025 has been a great success with excellent exam results especially A level results where we are in the top 25% in Britain.

It has been a busy year full of interesting experiences. I believe that the school's activities have been rich and effective and I would like to thank the whole school community for their enthusiasm and willingness to continue working with me and offer support in all aspects of school life.

I would like to congratulate Year 11 and Year 13 on their exceptional results in the external examinations held in Summer 2025. The capped 9 score for year 11 was 382 which is second within our family of comparative schools for the third consecutive year. Results in the core subjects were very good with:

- 65% of year 11 learners gaining A* - C in Welsh Language
- 75% A* - C in Welsh Literature
- 64% in English Language and 90% in English Literature.
- 58% of the learners achieved an A* - C in mathematics numeracy.

34 learners in year 11 have returned to school to continue their post-16 studies while almost all other learners have gone on to college or started apprenticeships. I wish them all the best as they take the next steps on their journey.

Our A Level results were outstanding with 29% of all grades being A* - A with 81% gaining A* - C. All Year 13 learners, who applied to go to university, were able to secure a place in their first choice. All the results are very encouraging and a testament to the hard work of all learners and members of staff.

Following coming out of the Estyn review in July 2023, the school continues on its journey of improvement with a comprehensive School Development Plan (SDP). During the year each member of staff worked on the priorities for development and we were able to show very good progress for each of these in a professional discussion with Newport City Council. I would like to thank all members of staff for their hard work and enthusiasm in ensuring that all priorities have been met effectively.

During this academic year, we welcomed a number of new staff to the school:

Morgan Ward - Welsh Teacher
Lucy Scott - Science Teacher
Tomos Evans - Physical Education Teacher (Temporary)
Morgan Pritchard - Temporary Humanities Teacher

Staff who left:

Jennifer Browne - Inclusion Leader
Anys Jones - Senior Progress and Well-being Lead / Welsh
Kaly Cartwright - Humanities, Psychology and Sociology Teacher
Lowri Edwards - Assistant Headteacher
Bethan Simons - English Teacher
Melissa Turnbull - Business Manager
Heledd Evans - Drama Teacher (Temporary)
Dylan Morgan - Physical Education Teacher

I would like to thank you as parents and carers for your continued support throughout the year. I am confident that we can work together with increasing cooperation to continue with the excellent progress made and look forward to a successful 2025-2026.

Kind regards,

Eirian Jones
(Headteacher).

Academic News

Eirian Jones

Statement on external examinations

GCSE results

- Capped 9 score - 382
- Average point score Literacy - 43.6
- Average point score numeracy - 34.8
- Average point score science - 37.1
- Skills challenge score - 41.3

'A' level results

- **A* - A - 29%**
- **A - C - 81%**
- **A - E - 97%**

Parents' evenings

We held Parents' evenings in school for Years 7 to 13.

ALN

Mrs Rebecca Chadwick, the ALENCo, continues to lead the school in the implementation of the new ALN legislation, begun in January 2022. All learners from all year groups have now transitioned onto the system.

We have continued to work closely with the Local Authority, attending clinics and meetings in order to evaluate our successful transition to the new ALN bill.

We have also established a small class for learners who have identified ALN needs, called the 'Hafren', where learners have a highly differentiated curriculum. This allows learners to have access to mainstream classes where appropriate, but also to receive more support where appropriate.

We are pleased to confirm that work has started on the new gym which will ensure that we are able to meet the curriculum requirements for Health and Wellbeing and Physical Education.

Access for Disabled Pupils

The governing body is mindful of the requirements of the Disability Discrimination Act (DGSA) 1995 and the Special Needs and Disability Act (SENDA) 2005 in its daily actions and activities.

The school is committed to ensuring that all pupils are able to participate in the school curriculum and (if they wish) in activities such as after school clubs, leisure/sporting events and educational visits. All aspects of accessibility, including access to written information, are included in the planning process and the accessibility plan.

There is a lift from the ground floor to the top floor which ensures that all learners have Access to each level in the Building. The Catering facilities include a hob/cooker and sink which can be used by wheelchair users to ensure equal access to this part of the curriculum for all learners.

Extra-Curricular Activities:

- 30/09/24 - Catalyst Cymru blwyddyn 8 / **Year 8 Catalyst Cymru**
- 7/10/24 - Her Peirianeg ICE bl12 / **Year 12 ICE Engineering Challenge**

The Hafren trip to the Big Pit.

Taith Catalyst Cymru i Rydychen / Welsh
Catalyst Trip to Oxford University.

Transition Work

Our intention is to ensure that all learners start their time at Ysgol Gyfun Gwent Is Coed with the enthusiasm and willingness to develop further and to build on the progress they have already made during their time at Primary school. Ysgol Gyfun Gwent Is Coed and the Primary cluster have established an excellent partnership and we work very closely to share information and develop plans to ensure that the learners' initial experiences are happy and successful.

The following activities took place during 2024-2025:

- Two parents' evenings at school (years 5 and 6)
- An opportunity for all Year 6 learners to visit the school in June
- All Year 6 learners from our cluster Primaries took part in the 'Trysor Gwent' at Ysgol Gyfun Gwent Is Coed
- An opportunity for vulnerable learners to visit individually
- The Year 7 Wellbeing and Progress Lead and ALENCo visited all Primary schools
- Sharing of academic and pastoral information
- Transfer of Safeguarding and ALN information
- Years 6 and 7 attended the Transition Christmas concert at Gwent Is Coed.
- Year 5 and 6 learners received International Language lessons by Ysgol Gwent Is Coed teachers.

Attendance

We are absolutely clear that learners learn best when they are at school, and it is clear that the majority of our learners want to be at school, and appreciate the structure and social framework it provides, especially after the years of the pandemic and the lockdown periods.

Our attendance for the year was 90.5% which is encouraging and something for us to build on this year. We will continue to work to improve our attendance rates and work closely with parents, learners and the Local Authority to achieve this.

Absences:

- authorised: 4.9%
- unauthorised: 5.1%

Site resources and facilities

The site has sufficient facilities for the current number of learners and staff. Newport Norse is used for the cleaning and maintenance of the site from April 2025. We're now employing our own staff to be responsible for cleaning and maintaining the site.

Toilet Facilities

There are toilet facilities available on every floor of the school, including toilets for learners, staff and toilets for the disabled. These are in good condition and are cleaned daily, throughout the day. All toilets have hot water, soap and hand drying facilities. These toilets are cleaned regularly by Newport Norse cleaners. They are checked regularly by the site manager.

Healthy School

All Key Stage 3 learners have a one hour weekly 'CAD' lesson which contributes to our Health and Wellbeing and PSE provision. During these lessons, learners have received education on relevant themes such as healthy eating, healthy relationships and online safety. As part of our Wellbeing programme, Key Stage 4 learners receive rich experiences in the form of occasional workshops, usually delivered by specialist outside agencies.

Water fountains are available in each corridor of the old building to refill water bottles.

Healthy eating

We promote healthy eating by encouraging learners to eat healthy snacks during the morning break, and a healthy lunch during lunchtime. We teach learners about the importance of eating a balanced diet through CAD, Science and Catering lessons.

School uniform

Our school uniform complies fully with Welsh Government guidelines, and an important part of this is our uniform shop at school, which is available to all during Parents' Evenings and allocated dates.

Policies and procedures

The governing body reviews our policies and procedures throughout the academic year. A list of all the school's current policies can be seen on our website at www.gwentiscoed.cymru

The following policies were reviewed and passed:

- **Diogelwch ac Amddiffyn Plant / Safeguarding and Child Protection**
- **Ymddygiad disgwylidig gan rhieni, gofalwyr ac ymwelwyr / Expected Behaviour of parents, carers or visitors**
- **Restrictive Positive Intervention / Ymyrraeth Gorfforol Gyfyngol**

Curriculum

- 'The curriculum is everything a learner experiences in pursuit of the four purposes. It is not simply what we teach, but how we teach and crucially, why we teach it.' (Welsh Government, 2020).
- The four purposes of Curriculum for Wales are to ensure our learners become ambitious and capable, that they are enterprising and creative contributors, healthy and confident individuals and ethical and informed citizens.
- Here at Ysgol Gyfun Gwent Is Coed, we place learners at the centre of everything we do, and provide them with the opportunity to experience a broad and vibrant curriculum through the medium of Welsh. This curriculum underpins our values of Welshness, Kindness, Ambition, Belonging, Happiness, Co-operation, Respect and Enterprise, which reflect what it means to achieve the four purposes.
- Our curriculum is supported by our pedagogical 'five pillars' of 'Behaviour for Learning', 'Aiming for the stars', 'Careful Planning', 'Assessment' and 'Developing Skills' which are regularly reviewed to ensure staff are supported with up to date research. These pillars are the foundation which enable our Areas of Learning and Experience to ensure that there is breadth, depth and challenge in our schemes of work that correspond to our values.

The medium of the school

Ysgol Gyfun Gwent Is Coed is a designated Welsh secondary school for learners aged 11-18. It is run by Newport City Council and serves Newport and South Monmouthshire. Welsh is the official language of Ysgol Gyfun Gwent Is Coed and is the teaching and examination medium for all subjects except English. All pupils study Welsh as a core subject and all are examined in Welsh as a first language. Ysgol Gyfun Gwent Is Coed is an inclusive school. Under normal circumstances, admission to Ysgol Gyfun Gwent Is Coed is open to learners aged 11+ regardless of ability or need.

Our plans for the future and the School Development Plan

Strategic Priorities 2023-2024

Priority 1: Ensure more coherent provision for the development of pupils' reading, numeracy and digital competence skills.

Priority 2: Improving the attitude of a few of the learners towards their learning in a purposeful way.

Priority 3: Ensure that the provision challenges, extends and supports all learners so that they can make effective progress

Priority 4: Ensure that the provision for inclusion and learners' additional learning needs is strong

Priority 5: Skillfully increase leadership capacity to ensure that leaders across the school act more strategically in their areas of responsibility

Members of the 2024-2025 Board of Governors

Name	Governor Type	End of Period
