

CYSTADLEUAETH 2026 – PODLEDIAD DYDDIAU OLAF GLYNDŴR

Cefndir

Does neb yn siŵr pryd na ble bu farw Owain Glyndŵr - mewn gwirionedd, mae rhai pobl yn dal i gredu ei fod yn cysgu mewn ogof yn aros i arwain y wlad eto. Mae llawer o'r straeon sy'n ymwneud â'i farwolaeth yn awgrymu iddo dreulio ei ddyddiau olaf yn teithio rhwng cartrefi ei ferched ar draws y ffin yn Swydd Henffordd, ond gallai ei le claddu olaf fod yn rhywle arall yn hawdd.

COMPETITION 2026 - GLYNDWR'S LAST DAYS PODCAST

Background

Nobody is certain about when or where Owain Glyndwr died - in fact, some people still believe that he is asleep in a cave waiting to lead the country again. Many of the stories surrounding his death suggest that he spent his last days travelling between the homes of his daughters across the border in Herefordshire, but his final burial place could well be somewhere else.

You can find out more about Owain's story on the Society's website:
